EDUCATION

Aspire Group Of Colleges, Gujranwala — *BSCS(Computer Science)*

EXPERIENCE

GFXpartner, Remote — *Frontend Developer*

Oct 2024 - PRESENT

- Converted 15+ complex PSD designs into pixel-perfect, fully responsive web pages utilizing Bootstrap and SCSS, maintaining strict adherence to W3C standards.
- Engineered cross-browser and cross-device compatible layouts, ensuring a seamless and consistent user experience for all visitors.
- Optimized front-end asset delivery and minified code bases, improving Google Lighthouse performance scores by 25% and decreasing page load times across 5+ client websites.

IT Oasis, Gujranwala — *Frontend Developer*

March 2024 - August 2024

- Built cross-browser compatible, mobile-first responsive web interfaces using HTML5, CSS3, and JavaScript, ensuring flawless execution across 10+ varying device screen sizes.
- Conducted code reviews and maintained code quality standards to ensure efficient front-end development practices.
- Collaborated closely with UI/UX designers to translate wireframes into clean, clean-coded web assets, reducing rendering bugs by 15%.
